

What is unique about The Green Path?

The Green Path is a unique set of 21 comfortable serviced apartments, designed to be eco-friendly in every single way. Choosing to stay at the Green Path is light both on your wallet AND on the planet. You spend less, but live more. You will also discover that our eco-apartments are just one of a larger web of green initiatives. Join us in this celebration of life that is the Green Path.

The Green Bowl

What's in store for you at the Green Bowl? A restaurant serving organic and wholesome food free of additives and preservatives.

Natural soaps, shampoos, fragrances, and cleaning agents to help reduce your carbon footprint. Kitchenettes equipped with RO-water purifying system. Eco-friendly furniture and decoratives made of upcycled rubber and dead wood.

Zero Waste Management

Vermicompost, using earthworms, generated by recycling organic waste are used in terrace gardens to grow organic produce. Bio-fuel plant to power our kitchen. Harvested and filtered rain water to irrigate our gardens and for domestic use in all seasons.

Era Organic

Our unique Organic Store is situated close to the eco hotel which stocks Organic groceries, fresh fruits, vegetables and cosmetics.
